## BROMLEY BUSINESS AWARDS

The inaugural Bromley Business Awards in 2011 saw hundreds of local businesses from start-ups to major internationals take part in the competition to find the borough's best.

The 2012 awards, launching in October 2012, aim to build on that success, providing an unrivalled opportunity for companies to network and raise their profile, supporting the borough's economic success.

Peter Pledger, chief executive of South London Business, said: "The awards celebrate the success and brilliance of businesses in Bromley. They recognise what is good and successful about
