

Moving On In Business

An invitation to a business seminar and
networking event at Battersea Power Station

Thursday 1st October 2009

Dear Business

Networking with other businesses and business support organisations to exchange knowledge, ideas, experience and find new business partners.

This seminar can offer your business a fresh, look at beating the recession and to progressing on in 2010.

This event aims to not only advise you on how to implement relevant strategies and processes to sustain your business but also to provide tips to increase your profitability in 2010. There will be presentations from various business experts during the evening. You can expect to be provided with useful tips, tools and techniques to improve financial planning and management; to utilise a workforce that really is flexible; to getting the best out of your property whilst keeping costs down and to having a business shaped for success. Business Link will also give

advice on how to access finance and develop your business.

There will be the opportunity to question the panel of experts after the presentations, followed by an opportunity to network with other businesses.

This is a fantastic opportunity for your business to gain some useful tips and make new business contacts.

Refreshments will be provided. We hope you can join us on the evening of Thursday 1st October 2009.

Cllr James Cousins
