November Networking Breakfast

Shop, Shop, Shop!

4th November, 8am – 10am

With Ellie Kidson, Director of Metamorphosis Visual Retail Consultants

Christmas is a peak time for retail sales, and in today's economic climate it is important to make sure your business reaches its full potential. Every sale counts, but to make a sale you need a customer, and to attract a customer you have to make them want to visit your business. Join us at Bar Star One on 4th November to hear our guest speaker, Ellie Kidson, a specialist retail consultant from Metamorphosis - who specialise in maximizing retail sales potential by delivering creative and practical high quality solutions for independent retailers.

Ellie will be sharing her knowledge on how to improve the appearance of your business to attract new customers and generate new sales. Ellie's invaluable tips and innovative solutions will all be low cost ideas to help you make the most of this year's festive sales. This is an excellent opportunity to hear from a market leader in retail sales, and is not to be missed.

This month there is also a very special business card draw prize – so remember to bring your business cards! The lucky prize winner will receive a 3 hour Customer Enhancement Consultation with Metamorphosis – worth £500 – designed to improve the visual appearance of your business, consider areas of opportunity and help increase sales.
